PROFILE

Detail-oriented Lead Generation & Research VA supporting businesses with prospect research, qualification, contact verification, social-media prospecting, outreach support and clean CRM-style data. Strong at following SOPs, checking details before handoff, and keeping research organized and actionable.

CORE STRENGTHS

Lead Generation

Targeted prospect sourcing and list building

Web & Social Research

Instagram, LinkedIn, company and decision-maker research

Contact Verification

Public email research, source checking and duplicate checks

Outreach Support

Instagram DM, email and follow-up tracking

Lead Management

Google Sheets, Excel and Monday.com-style trackers

Quality Control

SOP compliance, data cleanup and manual QA

TOOLS

Google Sheets • Excel • Monday.com • Apollo • Hunter.io • LinkedIn • Instagram • Facebook • Google Search • Spotify • Bandcamp • SoundCloud • YouTube • Canva • Email Outreach

SELECTED WORK

- Fitness / Instagram Lead Generation
- Instagram Prospecting & DM Tracking
- LinkedIn / Apollo Verification
- B2B Decision-Maker Research
- Business / Store Verification
- Artist Research & Outreach — Distrosb

WORK STYLE

SOP-driven • Detail-focused • Organized • Reliable • Honest with data • Manual QA before handoff

PROFESSIONAL EXPERIENCE

Lead Generation & Research VA

Jul 2025 – Present

AH CORP

- Research and organize prospects using defined targeting criteria.
- Verify lead details, maintain clean records and check for duplicates.
- Support repeatable research workflows with SOP-based quality control.

Artist Research, Outreach & Lead Generation

2026

Distrosb

- Research independent artists and evaluate activity and fit before contact.
- Use artist-published contact information and record the source URL.
- Prepare personalized outreach and maintain follow-up records in Monday.com.

Lead Generation & Outreach

Project-based

Online Coaching Business

- Research potential prospects on Instagram and apply qualification criteria.
- Support DM outreach, follow-ups and appointment-setting-related workflows.
- Organize prospect information in Google Sheets for ongoing outreach.

Data Encoder

Jan 2023 – Dec 2024

Gladness Outsourcing Services

- Accurate data entry, organization, checking and routine administrative support.

Chat Support

Previous

CRR Firex Enterprises Inc.

- Customer chat support and written communication in a structured work environment.

RESEARCH APPROACH

Find → Qualify → Verify → Organize → Handoff.

I focus on making the final lead record useful to the next person, not simply increasing the number of names in a list.
